Dear Colleagues and Friends,

It is a great pleasure to invite you to attend the **Symposium on Horticulture, Food and Environment – Priorities and perspectives** that will take place in Craiova, Romania on 27th-28th October 2016, organized by the Faculty of Horticulture, University of Craiova. The Symposium is getting established as an interdisciplinary forum within horticulture, food, biology and environment sciences providing opportunities for exchange of knowledge, expertise, ideas and great networking. A wide array of scientific areas such as biodiversity, breeding, physiology, biotechnology, post-harvest technology, food quality and safety, biology, plant and environmental protection, ornamentals, landscape and urban environment etc. merge together and cross with recent developments in fruit, vegetable and ornamental crops. The conference welcomes scientists, researchers, teachers and students as well as professionals of the horticulture, food industry, biology and environment to establish new collaborations and contacts to present and discuss their findings. The symposium will comprise plenary and regular sessions, workshops and display of posters.

We are looking forward seeing you in Craiova!

On behalf of the organizing committee,
Dean,
Prof.dr.habil. Cosmulescu Sina
